

WELCOME!

Saddle Creek Campus Public Meeting

February 15, 2023

University of Nebraska
Medical Center

Nebraska Medicine

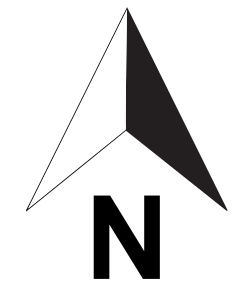

Project Background

Public improvements to the Saddle Creek Campus include new and improved roadway connections, sidewalks and street lighting. Updated traffic signals will be constructed on Saddle Creek Road at the Emile Street and Leavenworth Street intersections and a new signal will be installed at 46th and Farnam streets.

These improvements are necessary to accommodate the additional traffic expected as part of the development and expansion of UNMC's campus west of Saddle Creek Road.
